DEATHS OF FELLOWS

CALDWELL, WILLIAM EDGAR: 875 Park Avenue, New York City; born in Northfield, Ohio, February 23, 1880; died in New York City, April 1, 1943; graduated in medicine from New York University and Bellevue Hospital Medical College in 1904; elected a Fellow of the Academy January 3, 1918.

Dr. Caldwell was instructor and afterward assistant professor of obstetrics at New York University, 1908-19; associate professor of obstetrics and gynecology at the College of Physicians and Surgeons, Columbia University, 1919-27, when he was promoted to professor of clinical obstetrics and gynecology; consulting obstetrician and gynecologist to Presbyterian Hospital, New Rochelle Hospital and Monmouth Memorial Hospital; and associate director of Sloane Hospital for Women. He was a Fellow of the American College of Surgeons, the American Medical Association, a diplomate of the American Board of Obstetrics and Gynecology, and a member of the American Gynecological Society and the State and County Medical Societies.

DYKE, CORNELIUS GYSBERT: 706 West 168 Street, New York City; born in Orange City, Iowa, July 25, 1900; died in New York City, April 23, 1943; graduated in medicine from the State University of Iowa in 1926; elected a Fellow of the Academy November 7, 1935, and served the Academy as a member of the Committee on Admission from 1942 until his death.

Dr. Dyke was associate professor of radiology at the College of Physicians and Surgeons, Columbia University; attending radiologist to the Presbyterian Hospital; and director of radiology at the Neurological Institute. He was a Fellow of the American Medical Association, a diplomate of the American Board of Radiology, and a member of the American Neurological Association, the American Roentgen Ray Society, the American College of Radiology, the Harvey Cushing Society, and the State and County Medical Societies.

HABERMAN, JULES VICTOR: 156 West 86 Street, New York City; born in New York City, April 11, 1878; died April 9, 1943; received the degree of B.A. from Columbia University in 1902 and graduated in medicine from the College of Physicians and Surgeons in 1905; elected a Fellow of the Academy October 7, 1909.
